Subject: - Anti-Ragging Measures - reg.

Sir,

1. Union Human Resource Development Minister Shri Prakash Javadekar launched an Anti-Ragging Mobile App on 29th May, 2017, introduced by the University Grants Commission (UGC) which will help students register complaints to counter the menace of ragging. Previously, students were required to visit the website to register a complaint against ragging. Anti-Ragging Mobile App will work on android system on which students can log in and register their complaints immediately. The complaint will be sent to the concerned authorities for timely action and the action will be initiated immediately. Those who are involved in ragging will not be tolerated and they will not be allowed to continue their education in that institution. At the same time they will meet severe penalty and punishment as per the law. This app is aimed at giving a feel of security to students. However, it is hope that good senior students will act as mentors for their juniors.

- Therefore, College of Nursing are directed to create awareness among faculty and students about this mobile app and its uses.

2. **Installation of CCTV Cameras at all Vital and sensitive location in the College of Nursing for monitoring cases of Ragging.**

- Send report about installation of CCTV Cameras to Indian Nursing Council.

3. **Details of funds spent by College of Nursing on the Anti-Ragging activities i.e. Workshops/Seminars/Social media activities/Media Campaign etc.**

- Send details of funds spent on Anti-Ragging activities.

Kindly, send the above report/details to secy.inc@gov.in
