Circular

Sub:- Online Nursing Institutional Verification reg.

It is brought to the notice of all concerned that due to the difficulties arising on account of the COVID pandemic, the facility regarding Nursing Institutional Verification has been made completely online by Indian Nursing Council (INC), for the benefit of the Candidates. The procedure regarding submitting the online application for verification through the INC website (www.indiannursingcouncil.org) is given below:-

In the home page of INC website click on the link "**Prescribed application form for institute verification**". Clicking on this link will display the page regarding User Registration. If the applicant is a New User, then click on the link "New User Registration". An application format will appear online. The Columns in the form may be duly filled and submitted.

The candidate will be furnished the Login ID and password on completion of the form. The candidate may again Login by clicking on "Login link" and submit the User ID and password. The payment option will appear on the screen and application fee for verification may accordingly be paid online. And for the candidates who intend to work overseas ie for international verification their reference application id shall also be mentioned

INC will require a minimum of 15 working days duration for completing verification process. On completing of the same the verification status letter will be auto generated. The candidate may Login after 15 days using the same User ID and password to access the verification letter which can be downloaded.

The candidates are to note that, since the verification is now completely online, the personal visit of candidate or their representatives to the office of the Council, to enquire the status regarding verification, will not be entertained under any circumstances.
