

## **Registrations are open for the Aster Guardians Global Nursing Award 2023**

[Aster DM Healthcare](#) is one of the leading healthcare providers in the GCC and India, currently operating 29 hospitals, 121 clinics, 421\* pharmacies and 17 labs and 109 patient experience centres spread across 7 countries. As an extension of its commitment to the healthcare sector, Aster DM Healthcare initiated the [Aster Guardians Global Nursing Award](#).

The inaugural edition took place in Dubai on 12th May 2022 - International Nurses Day, to honour nursing excellence globally. Nurse Anna Qabale Duba from Kenya was crowned the winner and was selected from over 24,000 nurses across 184 countries.

Registrations for Aster Guardians Global Nursing Award 2023 are now LIVE. The winner will receive a grand prize of Rs. 1.98 crores to further enable their nursing endeavours and continue their invaluable contributions to global healthcare systems.

An independent jury comprising international industry stalwarts will be in charge of the screening process and leaders of the healthcare fraternity will honour nurses from different parts of the world on this global platform.

This could be your opportunity to shine in the spotlight and share your story of infinite courage & sacrifice with the world.

Visit [apply.asterguardians.com](https://apply.asterguardians.com) to apply, or nominate a nurse for the award, today!
