

सत्यमेव जयते

Message from Mrs Hekali Zhimomi, Addl Secretary, Ministry of Health and Family Welfare to all Nursing fraternity on occasion of International Nurses Day 2024

“My best wishes to all our Indian nurses- the best nursing professionals in the world. The theme is so apt because the soft power of nursing care is now being slowly recognised. It is the power that can ensure healthy and productive citizens that will eventually ensure a healthy, productive and prosperous nation.”
